

tapas |ˈtəpəs| | , tɑpəz | | , tapəs |

plural noun

small Spanish savory dishes, typically served with drinks at a bar.

ORIGIN Spanish, literally ‘cover, lid’ (because the dishes were given free with the drink, served on a dish balanced on, therefore “covering,” the glass).

CENTURY EDITIONS

Artists Social

Century Editions is a fine art atelier currently providing fine-art printing services to more than 150 artists. We periodically sponsor social events to foster camaraderie within the artist community. In order to facilitate a truly social atmosphere, we ask that inquiries regarding pricing of our services not be made during events. Our facility will be open for you to browse with many examples of our reproductions on display. That being said, we do earn a living by printing art and would be happy to answer any inquiries you have regarding our services during normal business hours when we can devote our full attention to your needs.

**A great atmosphere to
meet directly with the artists!**

*Century Editions is a wholly owned subsidiary of
Picture Yourself Inc., an Arizona corporation founded in 1984.*

Please join us for an evening of mingling with fellow artists, gallery owners and interior designers.

Gourmet Tapas and Spanish wines will be served.
